

# Manhattan Beach Hometown Fair 2023: “Imagine the Future: Robots in the South Bay” Art Exhibition

- Draw the future!

- Show us what you think our town might look if robots lived here!
- Any “2D art” is permitted, including paint, ink, pencil, crayon, and digital drawings
- Use your imagination – will we have robot people, robot dolphins, robot birds? It’s up to you!

- Rules:

- Entries are open to South Bay area students in grades K-12, one entry per person
- Entries must be on a single sheet of US Letter size paper
- Entries should show a view of any place or event in the South Bay
- Entrants must complete an Art & Stem Exhibition entry form and the rules there; see [www.mbfair.org](http://www.mbfair.org)
  - Entry forms must be submitted online by Sept 29 (or postmarked by Sept 22, if mailed)
  - Please indicate “STEM: Imagine the future” as the submission category
  - Have a parent or guardian help; the form needs their signature or confirmation
- Confirmed entries must be brought to the Joslyn Center, Thurs Oct 5 10am-7pm (entries can be collected and brought together)
- Entries will be displayed in the Joslyn Center throughout the MB Hometown Fair, Sat Oct 7 – Sun Oct 8
- Entries can be collected at the Joslyn Center, Sun Oct 8 at the close of the fair (5-7pm) or the following day
- Additional questions can be submitted to [communityshowcase@mbfair.org](mailto:communityshowcase@mbfair.org)
